

Are you curious about what's happening in your community to address climate issues?

Are you concerned about climate change or would you like to learn more about it?

Do you want to learn how to effectively create change and make a difference?

Become A Climate Ambassador

The Cape Cod region is working hard to prepare for climate change and student voices matter! The Cape Cod Commission is seeking students in grades 9-12 who want to develop a better understanding of climate change, learn what actions can be taken individually and collectively, and prepare to be a community leader.
