Re: Down Payment/Closing Cost Program funding request

Ladies and Gentlemen:

Please be advised that as of this Friday, June 12, 2015, there will be under \$4,000 left to be disbursed under the current allocation.

I am requesting that additional funds be allocated to the program at your earliest convenience. The average grant amount since October 2014 has been about \$7500. We had six DPCCP closings in all of 2014. By Friday, June 12, 2015, we will have had seven DPCCP closings in the first half of 2015. I currently have an application in hand that is under review. Should this application be approved, there would only be about \$2500 available to the client for disbursement. This is a wonderful problem to have!

Should you require additional information in making your decision, please do not hesitate to contact me.

Thank you so much for your attention to this matter.

Sincerely,
