[HUD USER Home](#) > [Datasets](#) > [CHAS Data Query Tool](#)

This table generator produces a small number of tables that focus on some of the most commonly used CHAS figures. It is meant to help individuals looking for data for a specific jurisdiction. Start by selecting the appropriate geographic summary level. If you are looking for data for a city, it will probably be under "Place". If your local jurisdiction is a "township" it will probably be under MCD (which stands for minor civil division). Take care to select the correct jurisdiction. Note that all numbers are household counts.
