community development partnership

The Housing Rehabilitation Program is offered to income eligible residents of Dennisport Village, Harwich Center, Provincetown, Truro and Wellfleet.

It pays for code, safety and energy efficient upgrades. It is offered through a collaboration with the Harwich Ecumenical Council for Housing, (HECH) and the Community Development Partnership (CDP). It is funded by Community Development Block Grants awarded to the Towns of Truro and Dennis through the MA Department of Housing and Community Development.
