Barnstable Housing Authority - 146 South Street, Hyannis 02601

508.771.7222

Recommended regional strategies pg. 51- it would be very helpful if the individual towns were to reassess their regulations and allow alternative housing initiatives, density relief, and an easier less restrictive application and approval process for qualified entities trying to build new or re-purpose existing buildings for housing.

'We' seem to produce more studies and spend time identifying issues as opposed to actually acting on the issues and making the things we talk about a reality.
