Meeting Notes
Cape Cod Solid Waste Advisory Committee Meeting
Wednesday, December 2, 2009
10:00 am
Conference Room, CCC, Barnstable

I. Welcome & Introductions

CCC Staff

Patty Daley Elizabeth Hude

Town Representatives:

Linda Benezra	Plymouth	Edith DeMello	Mass DEP
Bob Bersin	Brewster	Bruce Haskell	CDM
Dan Barrett	Bourne	Michael Maguire	Barnstable County
Phil Goddard	Bourne	Coop. Ext.	
Catherine Laurent	Mashpee		
John T. Mahoney, Jr.	Plymouth		
Kerin McCall	Plymouth		
Charles Sumner	Brewster		

Other Parties:

II. Minutes: 10/29/09
No corrections.

III. Alternatives Analysis update presented by Bruce Haskell, P.E., Vice President, CDM

Task 1: Review of the proposed SEMASS MOU has been completed. See minutes for 10/29/09.

Task 2 - Evaluate Viable Alternative Disposal Options Alternatives:

Mr. Haskell presented his findings on Task 2. Information contained in the slides represent averages and summaries of costs associated with MSW. Details for each town will be itemized in the full report (ie, specific hauling costs will be higher for Provincetown then Falmouth, however, the overall average appears to be less expensive when considering Bourne vs. SEMASS).

Presentation will be e-mailed to CC SWAC members.

Due to the low turnout for the meeting, the information will be presented again in January. The January meeting will be a presentation of the final report.

Patty Daley recently issued an RFQ to study further alternative technologies, and provide a review of regional models for hauling and disposing MSW ranging from a joint contract negotiation to the development of a Solid Waste District. It is anticipated that this work will also be completed by the end of December and presented at the same meeting in January by the selected firm.

IV. Other Business

None.

Meeting adjourned.
