

AMENDMENT
Falmouth Technology Park Development Agreement

Section F of the Falmouth Technology Park Development Agreement is hereby amended by replacing the third paragraph in Section F as follows:

The following language is hereby deleted:

"The FEDIC agrees to notify the CCC of any Occupant that proposes to or actually stores hazardous materials in excess of 110 gallons (unless all containers are 5 gallons or less) and/or is a Small or Large Quantity Generator of hazardous waste. Before submitting any local development permit application(s), an Occupant that proposes to or actually stores hazardous materials in excess of 110 gallons (unless all containers are 5 gallons or less) and/or is a Small or Large Quantity Generator of hazardous waste shall obtain a limited DRI approval from the CCC. Such limited DRI approval shall include only issues relating to hazardous materials and wastes, including but not limited to hazardous materials and waste use, storage, generation, treatment and disposal."

The following language is hereby substituted in place of the deleted language:

The FEDIC agrees to notify the CCC of any Occupant that proposes to or actually stores hazardous materials in excess of 110 gallons (unless all containers are 5 gallons or less) and/or is a Small or Large Quantity Generator of hazardous waste in order to enable CCC staff to comment on hazardous materials and wastes aspects of the proposed project to local permit granting authorities.

Executed by the authorized representatives of the FEDIC and the CCC this 12 day of July, 1994.
