MODIFICATION OF DEVELOPMENT OF REGIONAL IMPACT DECISION

The 1995 DRI Decision issued for Round Hill Definitive Subdivision, is hereby modified in accordance with plans titled "Round Hill Estates" Definitive Subdivision, drawn by Outback Engineering, Inc., dated November 7, 1994, revised May 13, 1998. This modification was approved as a minor modification #1 by a vote of the Cape Cod Commission Regulatory Committee on June 1, 1998. This modification consists of a revision to the road layout to more appropriately reflect the existing topography of the site. The revised layout follows the existing contours and minimizes cut and fill. The revised plan consists of the same number of lots, however lot lines and shapes have been modified. The area of the overall site used for house lots has remained unchanged.
