## MODIFICATION OF DEVELOPMENT OF REGIONAL IMPACT DECISION

The Development of Regional Impact decision dated June 11, 1992 is hereby modified by a vote of the Regulatory Committee on August 20, 2001. The modification eliminates the requirement to conduct groundwater monitoring at the Christmas Tree warehouse facility at 225-233 White's Path in South Yarmouth, MA required by condition #10 of the June 11, 1992 decision, due to the removal of an underground fuel storage tank from the project site.
