MODIFICATION OF DEVELOPMENT OF REGIONAL IMPACT DECISION

Pursuant to Section 12 of the Cape Cod Commission Act, the Development of Regional Impact decision dated May 14, 2009 and modified on June 11, 2009 for the F.W. Webb project is hereby amended. All findings and conditions attached to the original decision continue to apply except as modified herein.

Minor Modification Type #1

The following findings shall be modified to read as follows (**bold type** indicates added text, deleted text is shown as struck out):

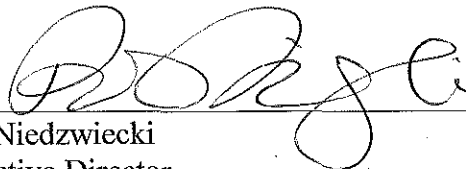

CCF5. MPS HPCC2.9 requires *“that redevelopment shall significantly improve buffers between the parking areas and the street, as well as interior parking lot landscaping”*. The ~~proposed~~ revised landscape plan (dated May 13, 2009 and revised ~~June 18, 2009~~ **July 22, 2009** ~~April 22, 2009~~) shows improved interior parking lot landscaping and re-vegetated disturbed buffers. ~~However, the Commission finds the foundation planting to soften facades requires augmentation.~~

The following conditions shall be modified to read as follows (**bold type** indicates added text, deleted text is shown as struck out):

CCC4. Plant materials specified by the landscape plan (drawn by Gregory Drake, dated May 13, 2009 ~~April 22, 2009~~, received and revised **July 22, 2009** ~~June 18, 2009~~ ~~April 27, 2009~~) may be substituted with prior written approval of Commission staff.

CCC5. Dead, stressed, or diseased plants detailed in the landscape plan (dated May 13, 2009 **and revised July 22, 2009**) ~~April 22, 2009~~) shall be replaced for the life of this permit and areas noted as meadow shall be maintained as such.
