**Dear members of the Cape Cod Commission:**

**I request that you vote favorably on the addition of a new cell tower on Brick Kiln Road in Mashpee! (Behind the fire house)**

**A couple of years ago my 18 month old grandson suffered a serious febrile seizure at our home at 171 Uncle Percy's Rd in Mashpee. None of three cell phones in our home could get a connection to 911!! My son had to run down the street to find a single, random spot that had service! I am sure there are many more stories just like this one where citizen safety and quality of life has been compromised.**

**Please, for the safety of your citizens, vote to get this tower installed as soon as possible!!**

**Sincerely,**

**Eileen Ferrell**
