Dear Cape Cod Commission,

Please note I am a Sandwich and Barnstable property owner.

Also a resident of the cape for 30 years and a voter.

I am very disturbed and frustrated at the present town of Sandwich plan to develop stated in todays CCT.

I know that it is too large in both size and budget for the Cape.

Many people I know have expressed shock and anger at this present concept.

Please do your best to stop this construction as it is not needed or wanted by the tax payers.

Thank you!
