Subject: Proposed Sandwich Mega Development

After reading the Patricia Stebbins article in the CCTimes this morning, I wanted to weight in on the Sandwich proposed development plan for 2 hotels, numerous athletic fields, restaurants, et al. It is already difficult at best in the summer to drive over both the Bourne and Sagamore bridges and onto Route 6. The traffic alone will be horrendous and discourage people from coming to the cape. Perhaps if they develop one hotel, some tennis courts, a pool and some athletic fields for the local schools. Better yet, the land could be used for affordable housing. Where are all the workers at this mega resort going to live? We are loosing our young people. I think Sandwich needs to take serious thought before going forward with this project.
