Subject: Sandwich Golden Triangle

Good Afternoon!

I am writing to the commission to state that I am completely against the proposed sports complex in Sandwich. A project of such magnitude has no place in the Capes Oldest Village. and the purpose of such project is what????? to increase the strain on the infrastructure that is already crumbling? to increase the traffic and congestion along Rte 130, Quaker Meeting House Road and Cotuit Road? Personally, my family and I have no interest or need for such a complex - my children are grown young adults and share similar thoughts and concerns. Most certainly and guaranteed that when the first shovel of dirt is dug, my house will be up For Sale.

Thank You
