After reading a letter in the Sandwich Town Paper, the letter asked to contact the commission with our thoughts regarding the Golden Triangle situation. In a nutshell, we are against the whole idea. Against selling the land for such an insanely low price and against all that is proposed for that section of land. I live 5 minutes away from this section of town and am sure the town could get millions for that land and the commission could control the use of that land much more conducive to the wishes of the Sandwich/Cape Cod Residents. Two voting Sandwich residents wish to be heard that they do not approve of this whole transaction/proposal 100%.

Thank you for reading this letter.
