Message: Please forward to Woody Mitchell (Sandwich) and copy Paul Niedzwiecki Woody, I did not see your email on the CCC's website, so I trust this will get to you sooner or later. What's next in the process for the Sports Complex ? An environmental impact statement by the State ? Sub Committee meetings ? Meetings by entire CCC ? Will the public be informed of these meetings ? Back home and reflecting on the meeting - I'm angry that I was not allowed to ask my question; after being told by both Clarke and Hynes that they would answer any questions. I know Roger Putnam from Wellfleet (where I spend time in the Summer). After the meeting I asked him what the hell he was doing, calling me out of order. But he wasn't about to change his mind. Hope this whole process will be above board and transparent as we move forward; and no one is silenced.

Jim Rogers
