

Cape Cod Commission

I speak in favor of the proposal at 556 Main St, Falmouth. The addition of a boutique hotel in Falmouth would enhance downtown with very little impact to the surrounding area. It would also be an improvement over the existing structure that is there now. It would also be an excellent location where people could walk and enjoy the downtown of Falmouth .

Thank you for your consideration on this project

David Nolan
486 Main St
Falmouth, Ma.
