Message: I would like to review the documents for the proposed Marriott Springhill Hotel on Main Street in Falmouth. I am unable to travel to your location to review them in person. Is there a way to have them emailed or to view them online? PS - your website's search function does not work. It did not find the term "Hotel" "Springhill" or "Marriott" when I searched, even though your calendar entry for the May 26 hearing had all of those terms (Marriott is spelled wrong on the calendar entry). For a public entity, it is surprisingly difficult to find and access information about this project.
