RE: Springhill Suites by Marriot @ 556 Main Street, Falmouth MA

I am strongly opposed to the proposed building of a Marriot Hotel at this location. It is NOT in accordance with my/your values of fitting in with the neighborhood character of Main Street, Falmouth MA.

Also, it is a shame to the residents of the lovely homes on Lantern Lane who will suffer with views of the back of the hotel (air conditioners, deliveries, garbage and lots and lots of traffic). Their home values will decrease substantially as well as their quality of life that was so important to them when they chose to live on Lantern Lane.

I implore you to NOT support this project at this location and to seek other more conforming ways to beautify the front of 556 Main Street by working with the Falmouth Chamber of Commerce.
