RE: Springhill Suites

Dear Commission Members,

Thank you for scheduling a hearing for the community of Falmouth.

I have lived in Falmouth for 53 yrs. It is a quaint charming small town. I believe it would be a travesty to construct a building of such magnitude on the Main Street. In the summer It would create an enormous impact on our Main Street & Dillingham Ave. traffic. Has it been taken into consideration that In the "off season" which is almost 8 months out of the year lodgings are nearly empty & many business close? Of course those empty rooms would be ideal to put up the many homeless folks on the Cape. Does Falmouth need another motel? If this structure must be built how about somewhere other than on our little path of a Main street.

Yours Sincerely,

Joyce Stratton
