Mr Ribeiro :

Please be advised that as a citizen of Falmouth I am in favor of the proposed project in Falmouth. East Main street in our town is in bad shape and that project would be an improvement . To those who complain about its size, I say look at the bank just a short distance from the proposed site as well as the large housing building (I think that's 704 Main) You are fighting the NIMBY mentally, but don't give up. Hang in there.

Sincerely,

P.S.

In addition, Falmouth needs more rooms to accommodate our visitors as well as the business competition.
