Dear Commissioners,

As a resident of Falmouth, I want to state my opposition to the plans for the Springhill Suites Hotel on Main Street Falmouth. I have lived in Falmouth since 1983. I have seen lots of growth on the Cape and Islands. It is a beautiful place and any changes are natural to occur with the passing of time. In too many cases, I have seen builders come in with promises which are broken and build structures that meet their corporate needs, but change the character of the town. I realize that this is not the Cape Cod that I moved to 32 years ago and I am not opposed to change, but all growth needs to be in keeping with the goals of the community. I have attended the many meetings in town regarding the building of this hotel with an open mind. It is clear that the community does not want this hotel. For this reason, I add my voice to those opposed to proceeding with this project.

Yours,

JoAnn Fishbein
