Daer Cape Cod Commission:

I am against the Marriott project in the town of Falmouth location on Main St. If you have ever been on Main Street in the summer you know we have a traffic problem as is. We also have other sites in town that are already sited for hotels that might work better for the Marriott. One is the old Falmouth Inn which they have been trying to sell. Another possibility would be the old Nautilus Motor Inn in Woods Hole where we have 3 hotels in a row that might want to sell their properties to the Marriott. If they would I would think that could be developpe din a beautiful manner.

Best wishes,  
Mary
