Hello. My name is Gerry Smith I live at 27 Nye rd in Falmouth with my wife Alyce and three children. The process for the Marriott has been going on for two years and I have been to countless meetings. My property is the only abutter that has no financial interest in this project. Our family is asking you take a close look at how this project was presented from start to finish and please keep the nye rd side of the project in your consideration. It is the same project. I thank you for your consideration I am just asking that the commission take the entire project into consideration and it's impact on traffic out neighborhood and the direct impact on my property line during and after construction before deciding. Thank you. Gerard t Smith. 27 nye rd
