Mr. Dick Duddy
Network Program Manager, New England
Sprint PCS
Mailstop: MABURD0301
3 Van de Graff Drive
Burlington, MA 01803

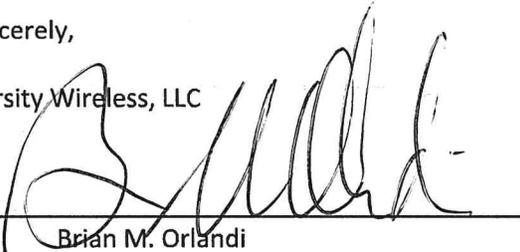

Dear Mr. Duddy:

Varsity Wireless appreciates the opportunity to work with you on the development of wireless sites throughout New England. In an effort to keep you apprised of our development efforts in this region, we wanted to inform you of a proposed new tower build in the Town of Wellfleet, Massachusetts on Cape Cod. The proposed tower will be a 150 foot monopole facility located at 724 Route 6 in Wellfleet.

If a facility at this location is of interest to you as a candidate within your current or future network design, or if you are interested in learning more about this facility, please do not hesitate to contact me at the number below. We would be more than happy to offer you space on this tower to assist you in the development of your network.

Sincerely,

Varsity Wireless, LLC
