

Hello people at cape cod commission

My name is Steven A Egli I take cabs to get home Harwich I used to take Johns or Skips cabs to get home but they died so now have to take mea TAXI there number is 508-432-4213 I hope they are still in bussiness this year or I will have to take Cape Cab which is a lot more it comes out double what I used to pay the year before I can not call Town Taxi in harwich they are not allowed to be picked up there they can drop me of there so I would have to get of the flex bus in Brewster and call Town Taxi from there because I missed the last bus to Harwich

It would be great if the flex went to Yarmouth I would not have to worry about cabs
