

# Cape Cod Joint Transportation Committee Public Meeting Agenda -

CAPE COD  
COMMISSION

**Date/Time:** Friday, January 12, 2018 @ 8:30 AM  
**Place:** Cape Cod Commission Conference Room, 3225 Main Street, Barnstable, MA 02630

## **Call to Order/Potential approval of the DRAFT minutes of November 17, 2017**

**Federal Fiscal Years 2018-2022 Transportation Improvement Program (TIP) Amendment #2:** The Transportation Improvement Program (TIP) is a recommended list of transportation projects to be advertised and eventually constructed using Massachusetts Department of Transportation ("MassDOT"), Federal Highway and Federal Transit Administration funding. Cape Cod Commission staff will describe a proposed Amendment to the 2018-2022 Transportation Improvement Program. The Cape Cod Joint Transportation Committee may vote whether to recommend to the Cape Cod Metropolitan Planning Organization that they release for public comment the Amended 2018-2022 TIP as described by Cape Cod Commission staff. - Steven Tupper, Cape Cod Commission Transportation Planner

**Federal Fiscal Years 2018 Unified Planning Work Program (UPWP) Amendment #1:** The Unified Planning Work Program (UPWP) identifies transportation planning studies and tasks on Cape Cod that will be completed in the current Federal Fiscal Year. These studies and tasks include data collection, and planning studies (such as corridor studies, travel surveys, and safety studies). Cape Cod Commission staff propose to add a Route 6 corridor study in Eastham (from Old Orchard Road to the Wellfleet Town Line) to the current 2018 UPWP. The proposed Route 6 corridor study in Eastham would align with the Eastham District of Critical Planning Concern recently approved by the Cape Cod Commission. The Cape Cod Joint Transportation Committee may vote whether to recommend to the Cape Cod Metropolitan Planning Organization that they endorse the Amended 2018 UPWP as described by Cape Cod Commission staff. – Glenn Cannon, Cape Cod Commission Technical Services Director

**Discussion and Potential Vote of Alternate Posting Location:** The Cape Cod Joint Transportation Committee members will discuss and potentially vote whether to adopt their website as its official notice posting method for posting meeting notices in accordance with the Open Meeting Law (M.G.L. c. 30A § 18-25) and its regulations (940 CMR 29.00). Jessica Wielgus, Cape Cod Commission Counsel

**Safety Performance Management:** Massachusetts Department of Transportation (MassDOT) staff will give an overview of the safety performance management (such as the number of fatal crashes, the number of injury crashes, and the overall number of crashes) for our region. Safety Performance Management is part of the overall Transportation Performance Management program, which the Federal Highway Administration (FHWA) defines as a strategic approach that uses system information to make investment and policy decision to achieve national performance goals. – The safety performance management also establishes the process for MassDOT and the Cape Cod Metropolitan Planning Organizations (MPOs) to establish and report their safety targets, and the process that FHWA will use to assess whether MassDOT has met or made significant progress toward meeting their safety targets. - Nikki Tishler, MassDOT Safe Routes to School Coordinator and Cape Cod Metropolitan Planning Organization Liaison

**Massachusetts Department of Transportation Update:** The Massachusetts Department of Transportation (MassDOT) staff will present and discuss with members of the committee the status of MassDOT projects currently in the planning process including the Federal Fiscal Years 2018-2022 Transportation Improvement Program (TIP) projects. The TIP is a recommended list of transportation projects to be advertised and eventually constructed using MassDOT, Federal Highway Administration and/or Federal Transit Administration funding – Pamela Haznar, P.E., MassDOT District 5 Projects Engineer
