Please, please, please remove my name form the election ballot. I'm happy to promote Bob Weinstein's candidacy.

Hi Jay,

Last year, you were nominated to be the Outer Cape Representative (Sub-Region D) to the Metropolitan Planning Organization (MPO) and you stated that you would not be able to fulfill that obligation.

We conducted our election and Cheryl Andrews was elected, unfortunately she is not able to service and has resigned from the MPO.

We had a special election and you were nominated again (congratulations).

Are you willing to serve if elected to the MPO?

If you are not able to service, then I would like your permission to leave your name off the election ballot.

Thank you for your patience.

Glenn
