Attention: Mr. Gabriel Sherman

Dear Mr. Mohler:

For consistency with FFY 2016-2019 Statewide Transportation Improvement Program (STIP) Amendment 1, Cape Cod Metropolitan Planning Organization (MPO) staff, on behalf of the MPO, requests the following adjustment to the FFY 2016-2019 Cape Cod Transportation Improvement Program (TIP):

- Remove project 607918 from the Cape Cod TIP which is now a statewide project that is included in the STIP with a new Project Description and increased cost to accommodate I-195 components.

This adjustment will be presented to the MPO at their next scheduled meeting which will be held on Monday, February 22, 2016. Per requirements for an administrative adjustment set forth in the Cape Cod TIP, neither a vote of the MPO nor a public comment period is required.

A copy of the adjusted Cape Cod TIP is attached for your reference.

Sincerely,

Glenn Cannon, P.E.
