these chronic postponements , delays, and re- scheduling of these crucial meetings are essentially subverting and eliminating the terms of compliance to include the general public in these meetings, resulting in a de-facto violation of the statute, and an abergation of your sworn duties. It is a violation of the federal mandte, as a result, and cause for the agency to be de-funded, under federal law,

Good Afternoon,

Please note that the following changes have been made to the MPO meeting schedule:

May 16th RESCHEDULED to May 23, 2016

June 20th RESCHEDULED to June 27, 2016

The agenda and meeting materials will be distributed at that time.

Thank you and have a great day!

Lisa
