CHANGE AND MAKE A
DIFFERENCE?

Become A Climate Ambassador

The Cape Cod region is working hard to prepare for climate change and student voices matter! The Cape Cod Commission is seeking students in grades 9-12 who want to develop a better understanding of climate change, learn what actions can be taken individually and collectively, and prepare to be a community leader.

CAPE COD
COMMISSION

THE CAPE COD COMMISSION IS SEEKING STUDENT VOICES FOR THE CLIMATE AMBASSADOR PROGRAM

What to Expect

- ≈ Virtual meetings on Wednesday afternoons from January to May 2021
- ≈ Discuss and learn about global climate issues, carbon reduction strategies, resiliency planning, equity and climate change, and more
- ≈ Get creative by developing a small project on how you can impact climate change personally, at home, or in your school community
- ≈ Meet new friends, make a difference and raise awareness of climate issues!

How to Apply (Applications due by Friday, January 8th)

Please submit a one-page letter to climate@capecodcommission.org detailing why you are interested in climate change, your current knowledge of climate change, and what you hope to learn or accomplish by being a part of the Climate Ambassador Program.

In addition, please submit one reference letter from a teacher or counselor explaining why you should be considered for the Program.

Please include your name, school, grade, email and a phone number. Please ensure that the reference letter also includes contact information.

ABOUT: The Climate Ambassador Program is intended for a small group of students from grades 9-12. Selection will be based on regional geographical distribution, grade level distribution, and quality of application materials.
