## PLANNING FOR THE FUTURE OF CAPE COD'S TRANSPORTATION SYSTEM

### UPWP Study Selection

Local officials and the public are encouraged to comment on the project list to help the MPO in its decision making process. All community members can help prioritize projects identified for future funding.

There are many ways to provide input, including attending an MPO meeting or submitting a written statement to [david.nolan@capecodcommission.org](mailto:david.nolan@capecodcommission.org) or P.O. Box 226, Cape Cod Commission, attn: Transportation, Barnstable MA 02630.

*The process to secure transportation project funding - be it for a new roundabout or upgrades to the Bourne and Sagamore bridges - often begins with a project task in the UPWP.*
