## KEY THEMES FROM SUBREGIONAL STAKEHOLDER MEETINGS

**Need for More Housing Types**

**Coordination with Other Regional Initiatives**

**Redevelopment**

**Funding Challenges**

**Year-round Housing Needs**

**Infrastructure**

**Regionalization of Efforts to Support Municipalities**

**Need for Zoning Changes**

**Education and Communication**

# Regional Housing Strategy

## OTHER CONSIDERATIONS FROM SUBREGIONAL STAKEHOLDER MEETINGS

### Outer Cape

- Seasonal workforce housing needs
- Need to provide permanent year-round rental housing opportunities

### Mid Cape

- Seasonal and congregant housing needs
- More simplified pathway for ADUs

### Lower Cape

- Repository of model bylaws will be helpful
- Housing is only one part of the high cost of living in the region

### Upper Cape

- Important to maintain a sense of community
- Design and aesthetics are critical

REGIONAL HOUSING STRATEGY  
**SUBREGIONAL STAKEHOLDER MEETINGS**

*Who should we ensure has access to housing in  
the region?*

---

# REGIONAL HOUSING STRATEGY

## SUBREGIONAL STAKEHOLDER MEETINGS

### DEFINING ATTAINABLE HOUSING

*“Housing is affordable (attainable) when it consumes no more than 30% of a household’s gross, pre-tax income”*

*“...the ability of households to enter, and graduate to successively higher levels of, the local housing market.”*

*– Canada Mortgage and Home Corporation*

---

# REGIONAL HOUSING STRATEGY

## SUBREGIONAL STAKEHOLDER MEETINGS

### DEFINING ATTAINABLE HOUSING

*“Affordable housing is government and nonprofit subsidized housing communities, while attainable housing is more affordable, but unsubsidized.”*

*– Dallas City Homes*

*“attainable housing takes into account the community’s socioeconomic context with its connection to the area median income”*

*– Michigan State University*

---

# REGIONAL HOUSING STRATEGY

## SUBREGIONAL STAKEHOLDER MEETINGS

### DEFINING ATTAINABLE HOUSING

*“The adequate supply of housing at all price points for all income levels.”*

*– Seminole County, FL*

*“nonsubsidized, for-sale housing that is affordable to households with incomes between 80 and 120 percent of the area median income.”*

*– Urban Land Institute*

*“units that are affordable to people who earn between 80% and 200% of the AMI”*

*– Chatham, MA*

---

# REGIONAL HOUSING STRATEGY SUBREGIONAL STAKEHOLDER MEETINGS

## DRAFT DEFINITION

*Attainable housing is housing that does not exceed 30% of an individual's income and provides for the ability to enter and move within the local housing market freely.*

---

# REGIONAL HOUSING STRATEGY

## **SUBREGIONAL STAKEHOLDER MEETINGS**

### **DRAFT DEFINITION #2**

*Attainable housing is affordable for those who cannot secure housing in the free market, is available across all income levels, and allows for the ability to enter and move within the local housing market freely.*

---

# REGIONAL HOUSING STRATEGY

## SUBREGIONAL STAKEHOLDER MEETINGS

### DEFINING ATTAINABLE HOUSING

*Does the definition of attainable housing need to be differentiated from Affordable housing?*

*Should workforce housing be defined or explicitly included in the definition of attainable housing?*

*Does the definition of attainable housing need to include a certain income threshold?*
