

# Transportation Improvement Program

(TIP) DEVELOPING THE TRANSPORTATION  
CAPITAL PLAN FOR CAPE COD

## What is the TIP?

The Cape Cod Metropolitan Planning Organization's (MPO) transportation capital plan, the Transportation Improvement Program (TIP), lists major transportation projects planned in the next five years.

The MPO is made up of eleven voting members with representatives of state agencies, regional organizations, and Cape Cod towns. Discussions at MPO meetings help to establish a preference for which projects are funded through the TIP. Members of the public are welcome and encouraged to attend these meetings and voice opinions.

## How to Get Involved

MPO meetings are being held virtually. Please visit [capecodcommission.org/mpo](https://www.capecodcommission.org/mpo) for meeting details. Meeting dates are subject to change.

## FUNDING

Funding comes from a combination of state and federal sources, and totals more than \$150 million over the five-year plan.

## TYPICAL PROJECTS

Typical projects include reconstruction of existing intersections or road-ways, construction of new multi-use paths, and purchase of new buses to support regional bus service. Projects are designed to address safety and congestion concerns for all transportation modes, including vehicle, transit, bicycle, and pedestrian travel.

## POTENTIAL PROJECTS

The following page presents a list of potential projects currently considered for the Federal Fiscal Year 2022-2026 TIP.

# FFY 2022-2026 TIP Project Selection

Local officials and the public are encouraged comment on the project list to help the MPO in its decision-making process. All community members can help prioritize projects identified for possible funding. There are many ways to provide input, including attending an MPO meeting or submitting a written statement to [colleen.medeiros@capecodcommission.org](mailto:colleen.medeiros@capecodcommission.org) or P.O. Box 226, Cape Cod Commission, Attn: Transportation, Barnstable, MA 02630.
