

UNIFIED PLANNING WORK PROGRAM

(UPWP) PLANNING FOR THE FUTURE OF CAPE COD'S TRANSPORTATION SYSTEM

The Cape Cod Unified Planning Work Program (UPWP) is a list of planning activities anticipated to be performed by MPO staff over the next year.

FUNDING

Funding comes from a combination of state and federal sources, typically in the range of \$900,000 per year.

TYPICAL PROJECTS

Typical projects include data collection efforts, Living Streets studies, safety studies, bicycle planning initiatives, and coastal resiliency projects. Planning efforts are designed to address safety and congestion concerns for all transportation modes, including vehicle, transit, bicycle, and pedestrian travel.

POTENTIAL PROJECTS

The following page presents a list of studies that will be considered for the Federal Fiscal Year 2023 UPWP.

PLANNING FOR THE FUTURE OF CAPE COD'S TRANSPORTATION SYSTEM

UPWP Study Selection

Local officials and the public are encouraged to comment on the project list to help the MPO in its decision making process. All community members can help prioritize projects identified for future funding.

There are many ways to provide input, including attending an MPO meeting or submitting a written statement to david.nolan@capecodcommission.org or P.O. Box 226, Cape Cod Commission, attn: Transportation, Barnstable MA 02630.

The process to secure transportation project funding - be it for a new roundabout or upgrades to the Bourne and Sagamore bridges - often begins with a project task in the UPWP.

2023 UPWP Recommended Project List

Station Avenue Corridor Study

Non-Motorist Crash Analysis / Road Safety Audits
