MODIFICATION OF DEVELOPMENT OF REGIONAL IMPACT HARDSHIP EXEMPTION DECISION

The March 30, 1995 DRI Hardship Exemption Decision issued for Hillcrest Farm Estates, pursuant to Sections 12 and 23 of the Cape Cod Commission Act is hereby modified with the addition of Condition #10 as follows, as approved as a minor modification by a vote of the Regulatory Committee on November 17, 1997:

As an option to meeting the requirement of the second affordable housing unit, the applicant is permitted to provide that unit off of the Hillcrest Farm site. The off site property must be located in the town of Bourne and must be approved by the Affordable Housing Specialist of the Cape Cod Commission. This off site unit shall have two or three bedrooms and shall have a maximum sales price of $100,000. Preference will be given to Barnstable County residents with regard to the purchase of the off site unit. If the applicant chooses to rent the off site unit it would be considered a minor modification to be approved by the Regulatory Committee. This unit shall be subject to all requirements in previous Hillcrest Farm decisions by the Cape Cod Commission governing the second affordable housing unit.
