

COUNTY OF BARNSTABLE

Cape Cod Water Protection Collaborative

Agenda

Governing Board

Cape Cod Water Protection Collaborative

Thursday March 14, 2019

10 a.m.

Cape Cod Commission • Large Conference Room

3225 Main Street, Barnstable, MA 02630

1. Approval of Minutes: Potential vote to approve draft meeting minutes of 1/8/2019
2. United States Environmental Protection Agency - Atlantic Ecology Division staff will provide a presentation and discussion on their work to quantify the value of recreation and water quality on Cape Cod.
3. Cape Cod Commission staff will provide and Board members will discuss an outline of the progress report due to the Environmental Protection Agency in April and criteria to be used by the Commission in compliance reports, as required by the Cape Cod Area Wide Water Quality Management Plan ("208 Plan") 2017 Implementation Report. The April progress report will document efforts by Cape Cod towns and the region to implement recommendations from the 208 Plan and the 2017 implementation report and compliance reports will further document progress made by each Cape Cod town to improve coastal water quality.
4. Report from the Cape Cod Commission Executive Director and Staff – Staff will give a status report on existing and planned activities related to, but not limited to, the regional water quality monitoring program and financing of water quality projects for Cape Cod.
5. Reports from representatives of Governing Board member towns and organizations on current water resource issues affecting their Cape Cod towns and the Cape Cod region.
6. Public Comment
7. Adjourn
