

CAPE COD CLIMATE ACTION PLAN | STAKEHOLDER WORKING GROUP

Natural Resources and Working Lands Mtg. 1 Agenda

DATE: Monday, October 19, 2020 | 9 a.m. - 12 p.m.

PLACE: Virtual Meeting to be accessed online or via phone

Link: <https://capecodcommission.org/climate/natural-resources>

> If prompted for a passcode, enter: join

Phone: (929) 205-6099; Meeting ID: 941 9831 1323

Meeting Objectives:

- Orient the working group members to the task and each other
- Discuss what is known today about the sector's contributions to greenhouse gas emissions and vulnerabilities to current and future climate impacts
- Develop criteria for use in selecting potential strategies and actions

Agenda:

1. Welcome and Introductions

2. Introduction to the Cape Cod Climate Action Plan Process

Cape Cod Commission staff will provide a brief presentation on the Cape Cod Climate Initiative and the process to develop the Cape Cod Climate Action Plan.

3. Adaptation – What We Know Today About Hazards and Vulnerabilities

Cape Cod Commission staff will review risk to existing climate hazards, relative to the *Natural Resources and Working Lands* working group. The Consensus Building Institute will facilitate discussion amongst working group participants relative to the information presented and any feedback they may have.

4. Mitigation – What We Know Today About Regional Greenhouse Gas Emissions

Cape Cod Commission staff will review the results of the regional greenhouse gas emissions inventory, with a focus on the aspects relevant to the *Natural Resources and Working Lands* working group. The Consensus Building Institute will facilitate discussion amongst working group participants relative to the information presented and any feedback they may have.

5. Break (15 minutes)

NOTE: Prior to the meeting, participants should follow the instructions on the following link to ensure they have the latest version of ZOOM to fully participate in the meeting: <https://support.zoom.us/hc/en-us/articles/201362233-Upgrade-update-to-the-latest-version>

6. Developing and Prioritizing Criteria for Climate Action Strategies

The Consensus Building Institute will facilitate discussion amongst working group participants on the criteria, and methods for prioritizing the criteria, that is important in the selection of climate action strategies.

7. Public Comment

8. Next Steps

Cape Cod Commission and Consensus Building Institute Staff will discuss next steps, including expectations of working group members between meetings and a brief overview of the topics for the next meeting. Working group members will have an opportunity to provide any final thoughts or ask questions.
