Hello Erin,

I am submitting my expression of interest in potential service on the Barnstable Economic Development Council – as a council member. Here is the link to my profile on Linked-In which has my background and achievements listed. [\(26\) Wendy Northcross | LinkedIn](#)

I am happy to offer my regional perspective on the Cape’s economic success and future, having been deeply involved for over 28 years on the topic of sustainable economic development, and business development.

My current commitment as co-founder/executive director of the JFK Hyannis Museum and my commitment to the Town of Barnstable’s Local Comprehensive Plan Update committee to create some constraints on my schedule. If the timing works, and my nomination is successful, I would be happy to serve.

Sincerely,

Wendy Northcross
