RE: Proposed Wireless Communications Tower – Development of Regional Impact (“DRI”) Application By Crown Castle, Inc. (“Crown Castle”) Located at 36 Wequaquet Lane, Centerville and 1060 Falmouth Road, Hyannis, Barnstable, MA (Assessor’s Parcel Numbers 250023T00 and 250023H00) (the “Site”)

To the Cape Cod Commission and the Town of Barnstable:

On behalf of VERIZON, I write in support of the pending DRI application submitted by Crown Castle for a new 110’ monopole at the Site. VERIZON is interested in collocating on the proposed tower at the Site when the existing tower located at 1047 Falmouth Road is removed. Subject to obtaining a license agreement with Crown Castle, VERIZON intends to collocate on the proposed monopole to maintain VERIZON’s existing coverage in this area of the Town of Barnstable. VERIZON respectfully requests that the Cape Cod Commission and the Town of Barnstable approve the new tower at the height requested to avoid any potential disruption in service to VERIZON’s customers in the area.
